

## EXPERIENCE GATLINBURG'S FOUR SEASONS

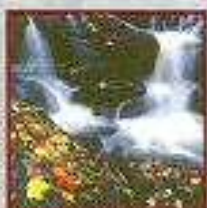

### *Spring Wildflowers*

From early March through mid-June, you can enjoy the greening mountainside and the Smokies' flowering blanket of beautiful wildflowers.

### *Summer Fun*

Treat your family to a mountaintop experience. We have everything for the family. Swim in our two pools, relax in the sauna or Jacuzzi, frolic on the playground or shoot some hoops.

### *Spectacular Fall*

You'll have a front row seat to every change and hue as the colors gradually move from the mountaintops to the valleys.

### *Winter Wonderland*

Choose from alpine skiing, ice skating, snowy sightseeing and downtown shopping. Admire the Smoky Mountain Lights which illuminate the winter landscape from mid-November until March.
